**Raid on Dwelling Jails Two**

Two 20-year-old youths were arrested Thursday for possession of narcotic paraphernalia and possession of narcotics other than marijuana. Jailed were Vance Alan DuBe, 18205 Grevelles Ave., Apt. 10, and Gregory G. Oliver, 1814 Middlebrook Ave. Police making the arrest at DuBe's apartment reported confiscating capsules, pills, hypodermic needles, teaspoons with residue, and zig zag papers from the residence. Police said DuBe passed out in his jail cell and had to be taken to Little Company of Mary Hospital to have his stomach pumped. He was transferred to Los Angeles County General Hospital.

**Stray Bullet Injures Leg Of Hunter**

A Torrance resident was accidentally shot in the leg by his aunt Saturday afternoon while the family was hunting about 12 miles from Gorman. Injured when he stepped suddenly from behind a rock was Jayson Patrick Baxter, 2277 W. 236th Place. His aunt, Patricia A. Schwab of the same address, told Torrance police she fired a .22-caliber rifle in the direction of the rock and accidentally hit Baxter. Mrs. Schwab and her husband James carried Baxter some four miles to their car and then drove him to Torrance Memorial Hospital because the wound was not bleeding profusely. Police said the bullet lodged in Baxter's leg bone.

**NOTHING WASTED**  
Louisiana researchers are building a pilot plant that will convert cellulose waste products such as corn cobs, grass, leaves and sugar cane residue, into high protein food.
